

- When love is lost, gaze into heaven for that is where your broken heart has been sent to heal.
- It doesn't take seeing someone to know and feel that they are there, you don't have to see me to know that I'm here. You just have to trust that I'LL BE THERE when you need me.
- Every teardrop is precious so better make sure that if you drop someone, it's worth crying for "cause you can never pick them and put them back to your eyes"
- If one day you like crying, call me. I don't promise to make you laugh but I can cry with you. But if one day you call and there's no answer, come and see me... perhaps it's me who need you.
- Never say goodbye when you still want to try.. never give up when you still feel you can take it.. never say you don't love that person anymore when you can't let go.
- A broken heart may heal but we can never hide the scars.
- My life consist of loving and if with loving I am familiar, it is because I have sorrowed much for there's no finer lover than who suffered much.
- A broken heart may heal but we can never hide the scars.
- Let go the hand of the person you love but don't let go God's hand for he may be holding the person you love on the other hand to let you hold each other again.
